To Pastor David McCrum and Friends

Greetings in the Name of our Lord Jesus Christ.

Brother David, I am so thankful to the Lord for allowing you to visit South Africa and minister to Pastors, Church leaders and our Bible school students during our Ministry Leadership Conference. Thank you for partnering with us to train leaders for local churches. The Pastors and everyone here was so blessed that we have decided to make this leadership conference an annual event in Cape Town.

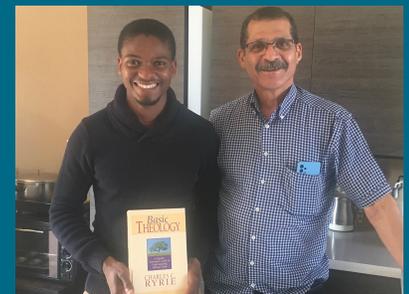

Everyone in attendance gave testimony as to being encouraged, edified and challenged to serve the Lord better in their local church. In fact two men, bro **Matthew van Rooyen** and bro **Elvis Nyalambisa** surrendered their lives to follow Christ. Both men will partake in our Internship program that, Lord willing will lead to ordination in the gospel ministry.

We are also very grateful for the Theology books and Bible commentaries that was sponsored by friends in the US. Solid theology and commentary material is hard to find in book stores here. We distributed these books to our Bible school students and pastors that attended.

Thank you so much to all who contributed in whatsoever way to make it possible for bro McCrum to travel to South Africa and minister to us during his stay. We give God the praise for His enablement and provision. May the Lord strengthen you all and use you all for His glory.

With much appreciation & for His glory.

Bro Miles Schilder.
