## SOUTH AFRICA IN FEBRUARY

*And some days after Paul said unto Barnabas, Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do. ~ Acts 15:36*

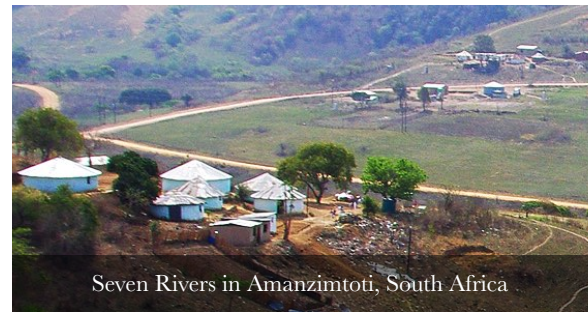

On February 21 another church planter and I fly to South Africa to meet with several pastors and church planters to survey ministry training opportunities on the South Coast. Many South African churches are becoming “senders.” Not only are they standing on their own, but they are also training and planting other churches.

In Amanzimtoti, our mission has several ministry partners who have launched a seminary and are training Zulu pastors.

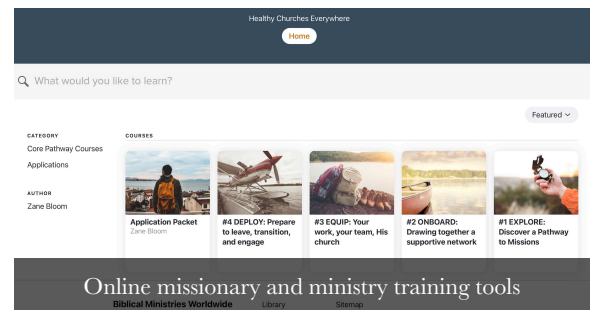

In Hillcrest, we will meet with Pastor Dustin at Grace Baptist Church. Dustin and I are exploring ways to train more South African men for the ministry.

Several hours north in Emalahleni, I will spend time with Pastor Clive at Faith Baptist Church and Pastor Sthembiso at Spring Valley Baptist Church. These faithful men have led well during many challenges. Please pray for them to be strengthened and encouraged.

Finally, an hour west in Johannesburg, I will be with Pastor Rocky to plan ministry leadership conferences to be held later in May.

## PRAISE

- **The online ministry training platforms** continue to expand in the USA, South America, and even Asia. Most recently in January, we have our first creative access national pastor using the South African mentorship!
- **God’s provision during these past two years** has been so reassuring.
- **The Cape Town churches** are also growing and expanding to new areas. Several new men are moving into full-time ministry. This May, Pastor Skelly and I will host several pastoral training events.

## PLEASE PRAY

- **For 13 locations requesting Bible training centers**, many in creative access fields. Each location has several national churches needing more Bible training. What an opportunity! We need wisdom, insight, and courage.
- **For Pastor Clive’s physical health and spiritual wisdom.** Faith Baptist is healthy, but also in a heavy time.
- **For David’s father (Roger)** who was diagnosed with Parkinson’s disease last year. His health has deteriorated significantly. We are grateful for some improvement over Christmas, but we covet your prayers for these days.
