PLANTING MISSIONARIES AROUND THE WORLD

February 2023

Confirming the Churches

And some days after Paul said unto Barnabas, Let us go again and visit our brethren in every city where we have preached the word of the Lord, and see how they do... And he went through Syria and Cilicia, confirming the churches. ~ Acts 15:36-41

South African Ministry Leadership Conferences

This month Julie and I travel back to South Africa to visit the churches and to train South African ministry leaders. As the fervor of churches and pastors for gospel expansion increases, the annual ministry leadership conferences in South Africa have grown. We are preparing for over 100 ministry leaders in two regional locations!

This year we are focusing on church planting and leadership development. Please pray that God will use these efforts not only to equip ministry leaders, but also to challenge many more to follow Christ in full-time gospel ministry.

Buy a Book. Change a Life. Grow a Church.

Last year you gave \$2000 to purchase training materials for these pastors! This year we would like to increase the resources available, providing at least one valuable resource to every attendee, as well as resources for the pastors and their wives.

We need your help to purchase resources on the following topics:

- Church planting
- Church health
- Leadership development
- Bible study tools
- Pastoral training
- Ministry and marriage

Even \$10 enables us to provide one book! Your participation is greatly appreciated. When we provide resources to those leading God's people, they flourish and grow in their capacity to communicate God's Word and spread the gospel further.

To give any amount, use the QR code provided, or visit biblicalministries.org/project/mccrum-books-for-africa

Thank You!

Over the next two months we will be sharing with you reports from the churches, Pastor Sthembiso and Tryphine, and Pastor Clive and Corlene. Thank you for partnering with us for the gospel and church planting development.

David and Julie

2023
MINISTRY LEADERSHIP CONFERENCE

Church Planting, Replanting, Retaking.
Engaging in the Great Commission!

The Ministry Leadership conference is an annual event centered around equipping and encouraging ministry leaders and church members alike with a desire to edify local churches in South Africa. The MLC is presented in Grahamstown at Benoni Bible Church and in Cape Town at Mountain View Baptist Church. We are also very excited to have two gifted visiting lady speakers this year for our ladies breakfast sessions. Please note that there will also be a pastor's lunch on the Fridays (24th Feb, 3rd March) in both cities for all interested pastors or elders and their wives.
